Personality

Liv is a girly-girly-girl. She hates chores, loves clothes, and very fashionable. She is a bit of a diva. She hates dirty clothes and when her twin sister Maddi messes with her very imporant, items without permision. You can't blame she just came back from 6 years of t.v. Maddi is more of a tom-boy. She sporty and can't stand heels. The thought of girly stuff makes her gag. Maddi is just your normal everydag person. They're both drama queens. When it comes to how she looks Liv can be a bit crazy. Maddi comes up with crazy stroies to get out of wearing heels.

Liv was on a show call "Sing it Loud" for 6 whole years. She left when she was 10 and came back at the age 16. Liv wanted to be on t.v her whole life. She doesn't have

great family connections. Maddi stayed at their home town. During the past 6 years Maddi made good conections. Celebrating birthdays, playing basket ball, and hanging with her family and friends. Maddi (and Liv)'s dad is a basket ball coach, so over the past 6 years Liv was gone Maddi was training to be a basket ball star. Both Liv and Maddi wanted to be famous.

Maddi is a awesome basket ball player. She made it to the jr basket ball leage finals, but she got injured and couldn't go. Maddi is an awful singer, so she chose the leave that talent to Liv.
