One time in 2017 Weston and his best friend Sam had a basketball game. Before this championship game Westons team had been playing very well. They had a 3-0 record in the playoffs and a 9-1 record in the season. There had been one game where lost to the terps a ,very tall team. Weston and Sam were really nervous about the big game, but they had been practicing very hard for it. The crowd had gathered and the game beg

1st Quarter

The tip ball was Weston vs ben ben was on the terps so the ducks (Westons team) were playing the only team they lost to. Weston won the tip ball and dribbled up the court to the basket shot it and made it. Then they stopped the terps off a missed shot and Sam dribbled down the court and passed to Weston Weston passed back to Sam for a quick shot that missed. The terps came down the court with a quick shot that missed again. The missing between the two teams went on for about 5 other terps drives and 4 other ducks drives. Both teams were frustrated by the missing but both teams kepted on playing.

2cd Quarter

At the end of the first quarter the score was 2-0. Both teams were playing good defence and getting a lot of steals and blocks. Five plays into the 2cd quarter the terps came down the court did 4 passes and then put up a shot. The shot went in and now the game was tied at 2-2. The ducks were ready to put up some points so Weston went speeding down the court moving his little legs very fast. The whole ducks team were convinced it was going in but it twirled around the rim like the water from a toilet bowl flushing around in circles. The terps had no time to dribble down the court because there was 2 seconds left so after that 2 seconds the 3rd quarter started.

3rd Quarter

The whole first half ended and the second half started. The score at the end of the first half was 2-2. The coach of the ducks gave the ducks a very good pep talk that made the ducks motivated to win the game. The ducks and the terps came out of the locker room looking very ready and happy to play. The terps started off what looked to be a basket but bounced out at the last second. The ducks also thought it was going to be a basket so everyone but Sam and Weston walked to the other side of the court. Weston got the rebound dribbled up to the basket and

passed to Sam for the wide open shot that went in. The terps were mad so they took a hard drive to the basket and made the basket.

4th Quarter

The third quarter was a quarter for scoring the ducks scored 2 points and the terps scored 2 points also. The fourth quarter was starting the fans came to a good game because the score was close. The terps made there way down the court and shot but missed. Both teams were playing good defence so both teams did not score in till there was 30 seconds left in the game. The terps scored a two pointer with 10 seconds now. The score was now 6-4 the ducks were down 2 points. Weston quickly dribbled up to the three point line and shot everyone from the time he released it new it was going in. Splash! It went in. Everyone went crazy; the ducks had done it; they won the championship.
