

The Three Little Kardashians

(Adaption of the 3 Little Pigs)
By Maneet D.

Once upon a time there was... oh.. THE KARDASHIANS. YUCK. Oh well, the Kardashians were just about to leave their home. "I can't believe mom kicked us out!" said Kim, "Yea that is soooooo not watermelon." said Kylie. "So what you guys making your houses of?" asked Kim, "Sticks." said Kylie, "Straws." said Kourtney. "HA-HA! YOU GUYS ARE GONNA BE KILLED BY THE WOLF!" screamed Kim with such a cringe worthy laugh. "Then what are you gonna make your house of? Hmm?" asked Kourtney. "Bricks." said Kim with a little smirk, suddenly with the speed of light, Kylie and Kourtney bursted out laughing! "Oh yeah! Well don't come running back to my house once the wolf starts eating you!" said Kim as she ran away. She

started building her house. Once she finished she sat down to rest. But suddenly, she heard knocking on the door, "Little pig, little pig, let me in, let me in." said the wolf, "Not by the cheeks of my big, big, butt." said Kim. "Then I will huff, and I will puff, and I will blow your house down!" said the wolf, "What about

my sisters?”, “What about them”, “Did you kill them yet?” asked Kim. “No, I could not get near their houses.” replied the wolf. “HOW THEIR HOUSES SUCK!” screamed Kim, “I am allergic to sticks and straw.”, “Well that doesn't matter because you can't destroy my house! It's made of bricks!” said Kim with so much confidence. “Oh yeah!?” said the wolf. And with the snap of his fingers, a huge wrecking ball destroyed her house.
