

# *Spiderman* *vs* *Batman*

By: Nicholas C.

Batman and Spider-Man are very similar but of course are inevitably different. In this article I will tell you how Batman(DC character) and Spider-Man(Marvel character)are different and the same in Appearance, Personality, Actions+Motives, and their Gadgets.

### Appearance:

Batman is a very dark guy and wears a mask (like Spider-Man). (Unlike Spider-Man)Batman also wears a black (or blue in the comics) cape. He also has a logo on his chest (like Spider-Man).His outfit covers his whole body and he has a black (or partially blue in the comics)outfit.(unlike Spider-Man has a fully black outfit.)

Spider-Man is a red,blue, and humorous guy who has an outfit with black webs on it(unlike Batman).

Spider-Man also has a mask that fully covers his face and has a lot of outfits (unlike Batman).He also has his eyes covered by white material of some sort.

### Personality:

Spider-Man is a very outgoing, humorous, and talkative person who makes lots of jokes. But on the other hand, Batman is a silent, sneaky, and serious person who makes plans. (usually against Joker).

### Actions+Motives:

For Spider-Man, it all started when he was living a normal life with Aunt Mae and Uncle Ben. He then finds a radioactive spider and accidentally gets bitten by it. Then he gains super strength, reflexes, and powers of a spider. Sadly though his uncle gets shot by burglars and Spider-Man fights for his uncle protecting the city. Spider-Man also has a dream hero Iron-Man.

Batman also has a normal life until a minor villain shoots his parents after they leave a movie theater. Batman in honor of his parents protects Gotham city and can't fight alone so he gets a sidekick named Robin.

Similarities in Actions+Motives: they both lost relatives, they also both hide their identity

Differences in Actions+Motives: **Spider-Man: he is like a sidekick of Iron-Man, he gets superpowers**

(Batman gets no powers except he trains and got skill)

Batman:he has a sidekick,he sadly is an orphan.  
(Spider-Man has support from his aunt.)

Gadgets: Spider-Man and Batman have A TON of gadgets.here is a few similarities and differences of some of their gadgets.

Similarities:both have a gadgets to get around (grapnel gun and web slingers),both have “cars”(spidey buggy and batmobile)

Differences:Spider-Man has more electronics,Spider-Man can glue things with webs,Batman has more offensive gadgets like explosive batarangs,Batman has way more gadgets.(has a whole bat cave full of gadgets).
